Author's Statement

I have read all reviews very carefully and have tried to do my best to increase the quality of the paper by including the following changes into my original paper:

Tha changes requested by the reviewer(s), which have been made: (Please provide the brief enumeration of changes you applied in the papper)
The suggested corrections by the reviewer(s), which – as the author – I don't agree: (Please provide the brief justification, why you didn't include these remarks)
Other changes which have been made and changed the original version of the paper: (Please provide the brief enumeration of changes you applied in the papper)
